

CHILD SAFETY POLICY

Rationale

The Wheelers Hill Primary School Child Safety Policy demonstrates our school's commitment to creating and maintaining a child safe and child-friendly organisation, where children and young people are safe and feel safe.

This policy provides an overview of our school's approach to implementing [Ministerial Order 1359](#) (PDF, 363KB) which sets out how the Victorian Child Safe Standards apply in school environments.

This policy:

- applies to all school staff, volunteers and contractors whether or not they work in direct contact with students. It also applies to school council members where indicated.
- applies in all physical and online school environments used by students during or outside of school hours, including other locations provided by for a student's use (for example, a school camp) and those provided through third-party providers
- should be read together with our other child safety and wellbeing policies, procedures, and codes – refer to the related school policies section below.

2.15 The Principal and the Assistant Principal for Wellbeing are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Assistant Principal for Wellbeing is responsible for monitoring the school's compliance with the Child Safety Policy. Anyone in our school community should approach the Assistant Principal for Wellbeing if they have any concerns about the school's compliance with the Child Safety Policy.

- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

2.16 Our Child Safety Code of Conduct sets the boundaries and expectations for

appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

2.17 We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

2.18 The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

2.19 At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

2.20 Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

2.21 At Wheelers Hill Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

2.22 We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.
